► This corrects the article “Effects of Sarcopenia and Frailty on Cognitive Function, Brain Volume, and Dementia Risk: A Prospective Cohort Study Based on UK Biobank” in volume 25 on page 115.

The authors would like to add the underlined sentence, which was omitted from the Funding section of the initial manuscript. The complete and corrected Funding statement should read as follows:

Before

Funding: This research was supported by a faculty research grant of Yonsei University College of Medicine (6-2023-0145), and a research grant of Yongin Severance Hospital, Yonsei University College of Medicine (Z-2023-0004).

After

Funding: This research was supported by a faculty research grant of Yonsei University College of Medicine (6-2023-0145), a research grant of Yongin Severance Hospital, Yonsei University College of Medicine (Z-2023-0004), and the Memorial Foundation for Dr. Duk L. Na, the Korean Dementia Association.
